

Citace PRO

- Citation manager that helps **create, organize, export and share citations**.
- It supports more than 8 000 various citation styles including **STN ISO 690**, Harvard, APA, Chicago.

Citations can be automatically **generated by name of documents, DOI or ISBN** or created by filling a pre-defined form.

Citace PRO enables users to add full texts of the documents to citations in their personal folder and share them with other users.

It allows several **additional tools**:

- Installation of supplement 'Citace PRO' into Microsoft Word (allows to import and quote saved citations and automatically generate bibliographies);
- Installation of supplement 'Citace PRO' into web browsers (Firefox and Google Chrome), that allows to download bibliographic information about documents;
- citations can be quickly imported from the library's catalogue and from the external databases and discovery services as well as from other citation managers.

Citation manager *Citace PRO* can be used by staff and students of the University of Economics in Bratislava after registration on the website www.citacepro.com in the network of the University.
